

A male mechanic with short dark hair is focused on his work. He is wearing a red and black long-sleeved work shirt with a name tag that says "Adam" and dark work pants. He is kneeling on the floor of a garage, using a pneumatic impact wrench to tighten the lug nuts on a silver alloy wheel. The background is dark and out of focus, showing other parts of the car and the garage environment. The overall lighting is warm and focused on the mechanic and his work.
